### Our Story

Good food, good music, good friends. We talked about it for years and thanks to Dave's mother, Nadine, in 2016 we opened Nadine's Mexican Kitchen. Partners in life and business, we created a menu that represents our love of Mexican food and traditional American comfort food. Everything is made in house, crafted with love and care by ourselves and staff we consider family. We hope you enjoy your experience.

Sue and Dave Walsh
